THIS IS OUR METHOD

METHOD

A shared passion for sailing and boats gave birth to Method Marine. Located in the beautiful city of Cape Town in South Africa.

Method's goal and philosophy is to realize each client's dream and to exceed their expectations. This mission forms the foundation of our vision to become one of the preferred elite boat builders in our class globally.

After extensive research and in-depth design work, we are proud to present the M 484 luxury catamaran.

 METHOD

M 4 8 4

METHOD

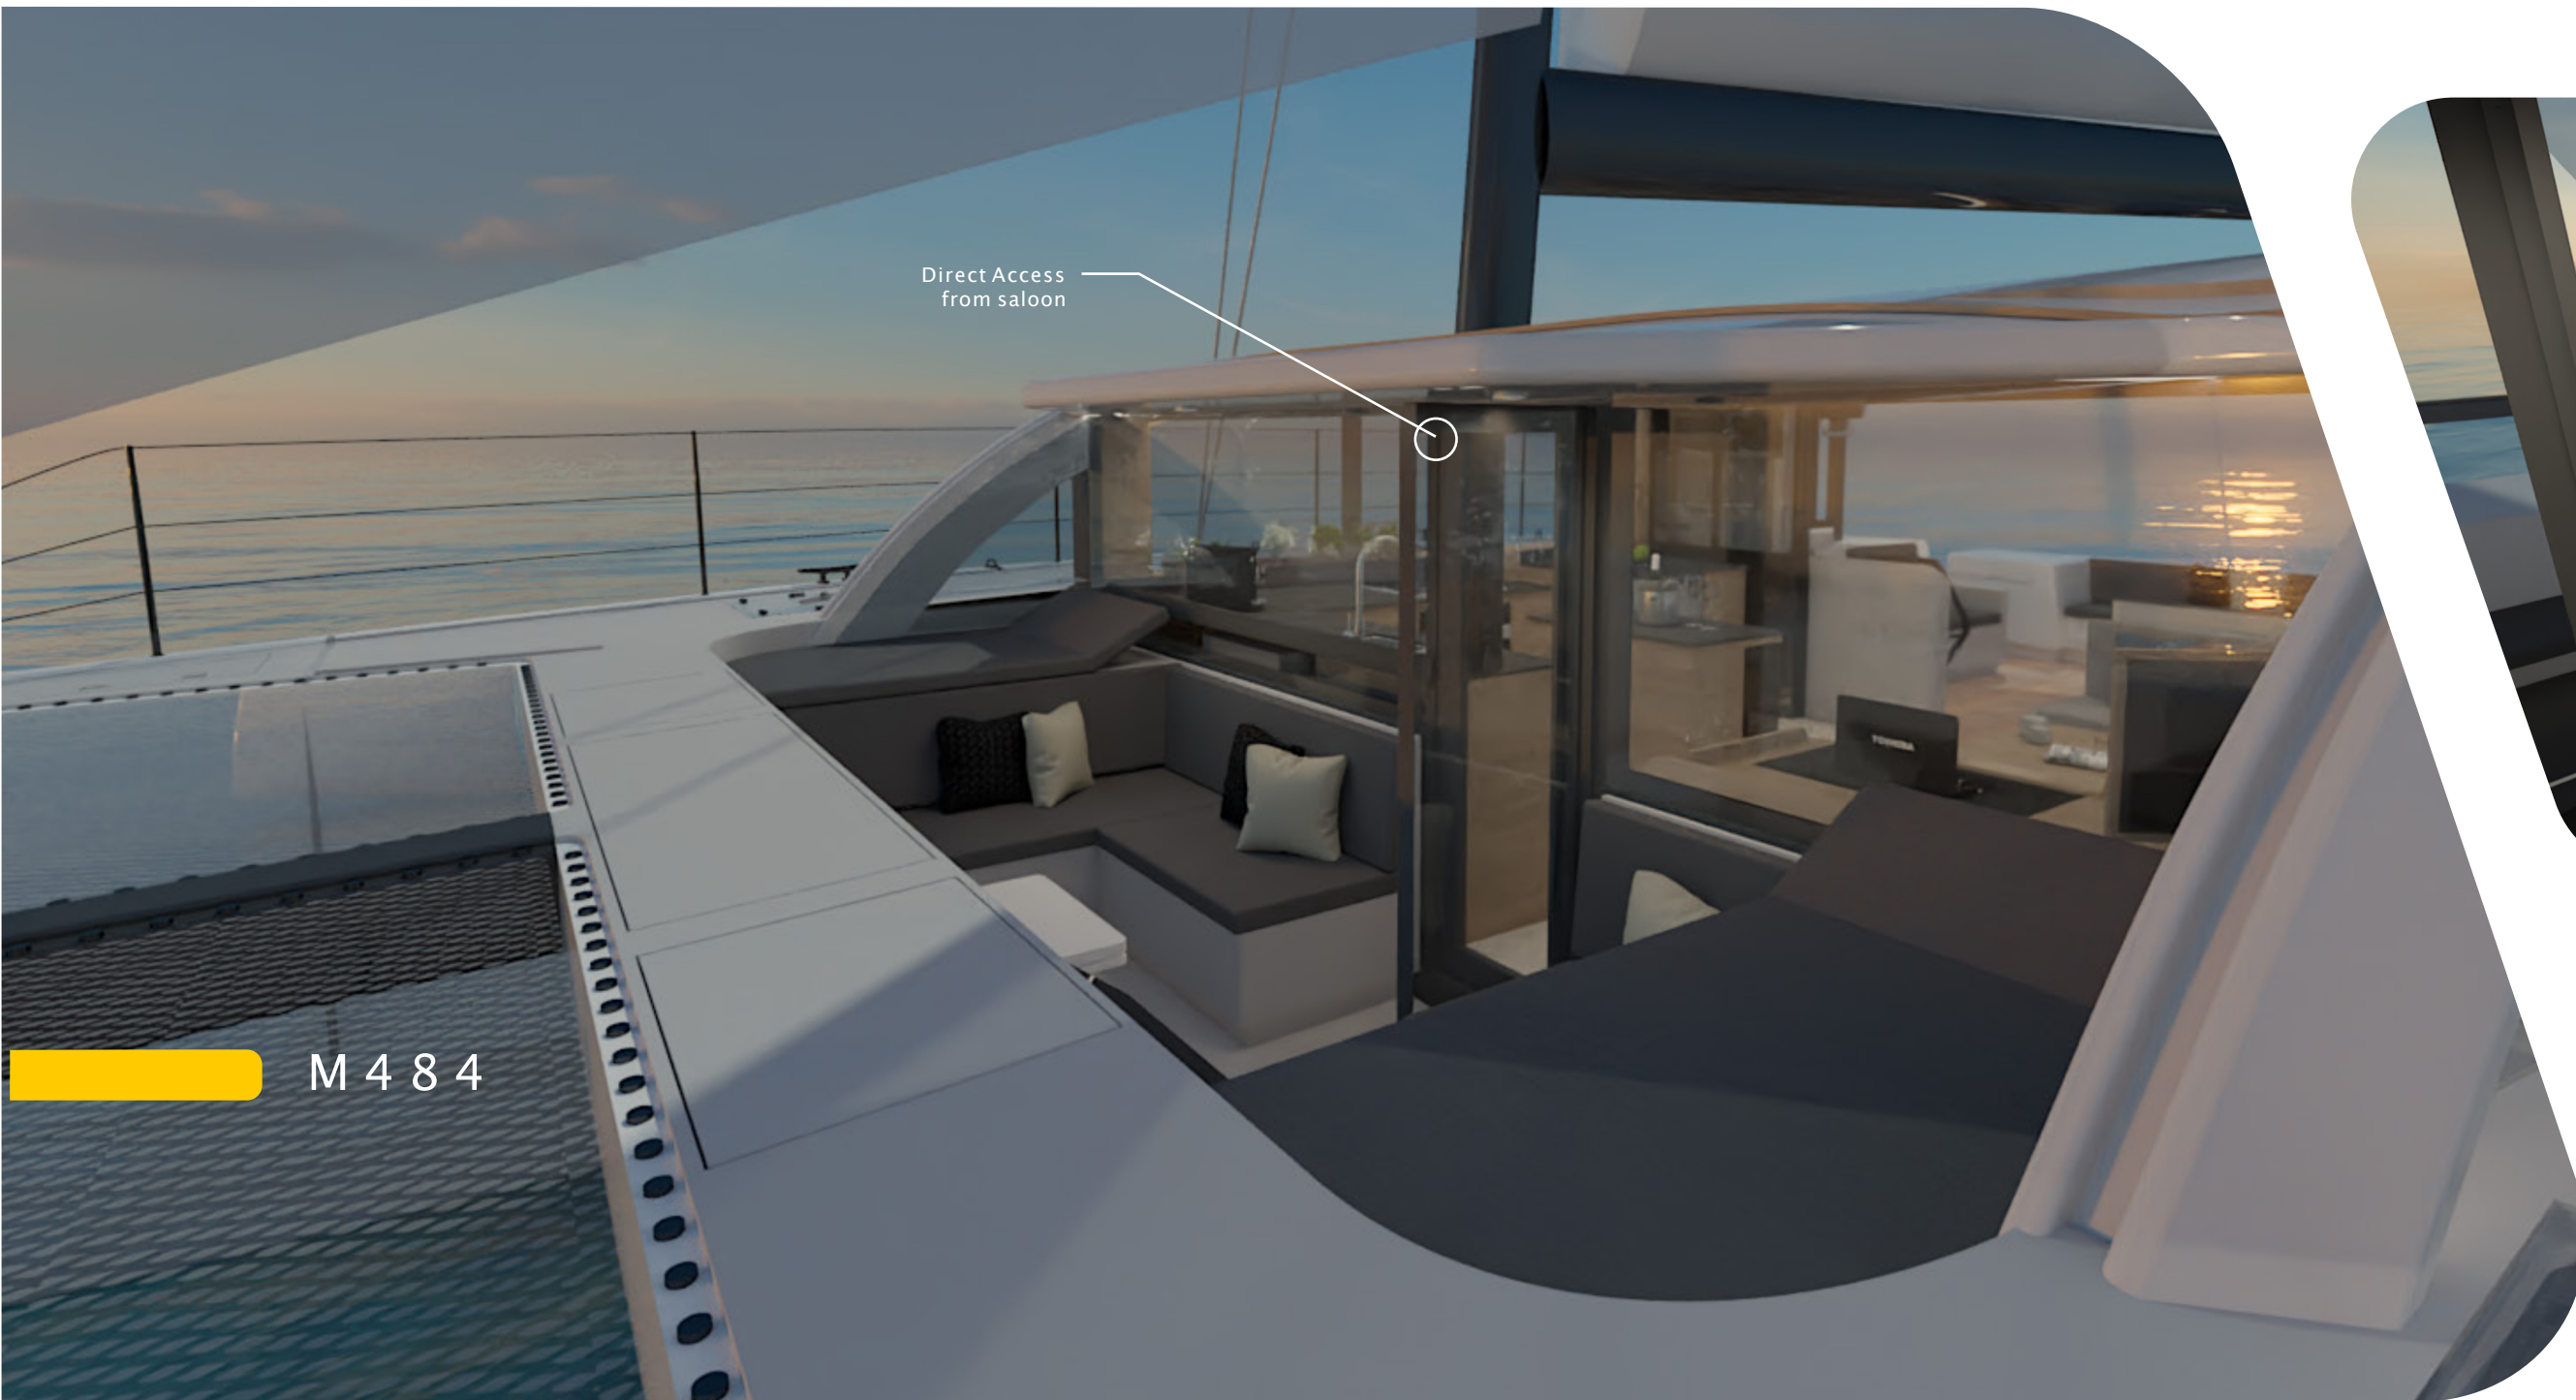

Whether you are looking for performance or just cruising in comfort, the M 484 will meet your needs and exceed your expectations. The luxury interior is personalized to the client's specifications, through a consultative process that incorporates our professional knowledge and the client's personal tastes. This allows the catamaran creation process to be very flexible, and generates the opportunity for the client to create their very own unique sailing vessel.

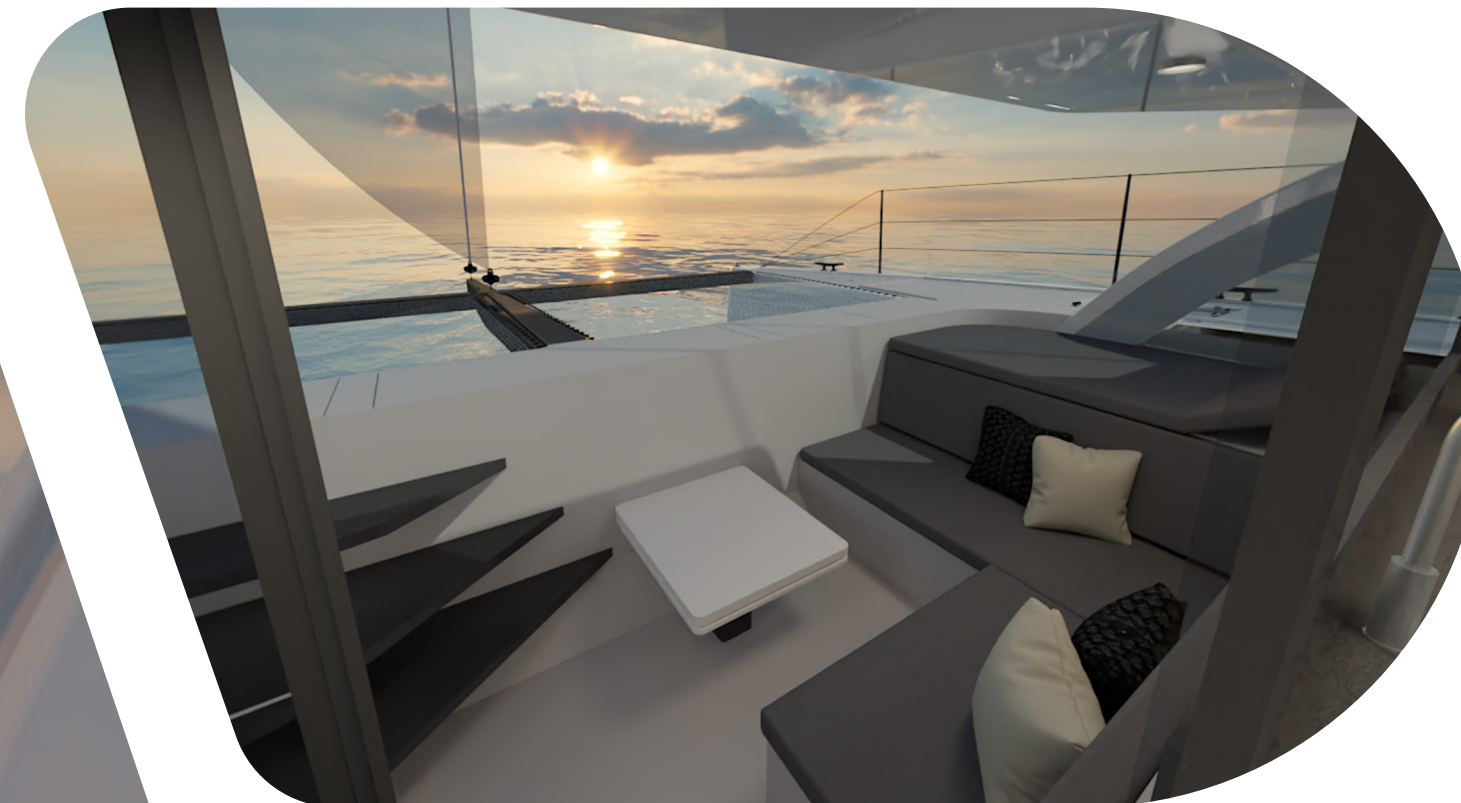

METHOD

When looking at the M 484's interior, it's apparent that priority has been given to the sailing experience of having a 360° view from within the saloon/galley. Our experienced team of carpenters go the extra mile to make sure that everything is not just aesthetically pleasing, but more over, high quality with functional ergonomics. Light is crucial in all Method Catamaran designs. Not only is the natural light hanced in the interior by skylights, but also offers spectacular views from above.

Direct Access
from saloon

M 4 8 4

 METHOD

Beautiful open plan layouts can be enjoyed from the foredeck lounge, accessed directly from the saloon. The lounge on the OG484 includes a seating area, a sun bed, and a table. The perfect place to start your day or to end it, while enjoying sundowners with friends and family.

Large Sliding Doors
Connecting Galley
with Aft Deck

M 484

FEATURES INCLUDE:

- Foam core panels(lightweight)
- Alpiveneer (sustainable)
- LED strip lights and down lights
- Generous amount of storage throughouttheboat
- Top-of-the-linegalley appliances
- Memory foam mattresses and sofa cushions.

METHOD

The essence of every Method Catamaran interior design will always be about people and how they live in it. It is about the realities of what makes for an attractive, ergonomic, quality and meaningful environment.

The M484 comes standard with a very generous coach roof, with pull-downblinds for those wintry or blustery days out at sea.

The more options the client has, the more the boat will feel like their home. From as early as the first presentation and renders, you personalize your environment.

The Method Catamaran living area is not just a space; it's a feeling. The sofa is the cornerstone of a cozy living area. This Method design concept makes something intelligible and memorable in the living area.

Ample Storage

The truth is that luxury is very much personal, to challenge your idea of luxury, we carefully curate lists of your favourite luxuries to both inspire and stimulate your creativity and personalization. In every Method Catamaran Luxury is attention to detail, originality, exclusivity and above all quality.
